

MARTA LA FARFALLA LIME

Description:

Feeling carried away by the refreshing lime-scented fragrance of Marta La Farfalla is a unique experience. This air freshener encapsulates all the typical characteristics of the most pungent citrus fruit: lime. Thanks to its valuable green peel, one can create fresh and crispy notes that come together to create an atmosphere typical of tropical countries such as Malaysia and India, where this citrus fruit comes from and where the sailors used to pick it to export it before it became a popular fruit worldwide.

Directions for use:

Open the box and fit the product on the air vents using the special hook. The supply can be adjusted and you can extend the duration of the perfume by reducing the air flow from the vents. The product can also be used as an air freshener for the environment.

Warnings:

To handle the product follow the precautionary advice on the safety data sheet.

Technical Features:
