

MARTA LA FARFALLA RED FRUITS

Description:

Usually meant for summer, fruity olfactory notes are also suitable in winter. One just needs to choose the right fruits: blackberries, blackcurrants, raspberries and blueberries characterize Marta La Farfalla Red Fruits. Their flavor is fresh and tart and they convey the same sensations in fragrances, creating an unusual contrast. The secret lies in the balance between the freshness of blackberries and the sweetness of blueberries. For all those keen on a versatile fragrance.

Directions for use:

Open the box and fit the product on the air vents using the special hook. The supply can be adjusted and you can extend the duration of the perfume by reducing the air flow from the vents. The product can also be used as an air freshener for the environment.
