

A1 ALL IN ONE

Description:

All in one is quick and easy, designed for those looking for an all-in-one product. Its advanced technology offers excellent performance to remove scratches and oxidation combined with a low level of dust and an incomparable finish without marks and hologram effects.

Directions for use:

Apply a small portion on a medium-hard orange pad of a rotary (or roto-orbital) polisher. Start with 800 rpm and increasing up to 2000 rpm. To obtain a superior shine and remove the swirls, simply continue the treatment. Remove the product with a microfibre cloth.

Warnings:

To handle the product follow the precautionary advice on the safety data sheet.

Technical Features:

Appearance and color: white liquid

Odor: characteristic

pH: 9

Flash point: > 65°C

Boiling point: 100 °C

Relative density: 1,26 g/cm³

Solubility in water: insoluble

Storage:

Unopened and stored at room temperature away from direct sunlight.

Packaging:

PACKAGING

500 gr
