

SOAP PASTE

Description:

Dense hand paste with emollients to remove oil, grease, lubricants, hydrocarbons, bitumen, rush, graphite and stubborn dirt. Thorough and yet gentle cleansing action. Detergent substances mechanically break down grease and stubborn dirt on skin and absorb it. Its softening components protect skin.

Directions for use:

Use dry hands to take the desired amount of paste and rub until the dirt has completely emulsified and rinse.

Benefits:

- Strong cleaning action
- Suitable for frequent use
- Eliminates bad odors, leaving a gentle scent on hands

Warnings:

To handle the product follow the precautionary advice on the safety data sheet.

Technical Features:

Appearance and color: white creamy paste

Odor: lavender

pH: 9.7

Relative density: 0.85g/cm³

Storage:

Unopened and stored at room temperature away from direct sunlight.

Packaging:

	BOX	ART. CODE
4L BUCKET	4 pcs	77326
