

HARD BRUSH

Description:

This brush is excellent for heavy duty cleaning treatments such as removing stubborn dirt from exterior finishes, badges, seals, cleaning difficult areas such as the wheel rim groove and removing dirt and grease from the engine compartment. Brush ultra resistant to solvents and chemical agents in general. The brushes have a raised handle for a firm grip, which prevents them from slipping when your hands are wet and can be hung on a hook to dry.

Main characteristics:

- Total length: 25.5cm
- Bristle length: 7.5cm
- Net weight: 114g
- Bristle material: stiff PBT bristles
- Handle material: PP
- No label
- Black

Care instructions for the brush:

- Wash with warm or hot water using a mild detergent.
- Do not use fabric conditioners or bleach as they tend to alter the properties of the bristles.
- Do not use tools to dry the bristles.
- Do not let the product dry on the bristles.

Each Innovacar by Fra-Ber brush is sold in a useful bag to store the item and stop it from becoming contaminated by dirt or dust.
