

Description:

CLEANS AND WAXES WITH A REPAIRING EFFECT ON FLOORS: CLEANS, POLISHES AND PROTECTS.

Concentrated detergent that ensures a gentle cleaning action whilst filling in small scratches and abrasions that cause the floor to lose its shine. It forms a protective film that is self-polishing, resistant, anti-stain and anti-skid. Can also be used undiluted for basic maintenance and spray cleaning.

Directions for use:

Shake before use.

- Regular cleaning: dilute 30 - 180 ml each 8 l of water.
- Intense cleaning: dilute 780 ml each 8 l of water.

As a treatment:

- Use only on dry floors, distribute the product, undiluted or diluted 1:1 using a mop, preventing the product from drying on the mop itself.
- Basic maintenance: depending on the degree of absorption of the floor, 1-2 applications, wait 30' in-between applications.
- Post-protection after intense cleaning: 2-3 applications, wait 30' in-between applications.
- Spray cleaning: dilute 90 - 120 ml (3-4 caps, 1 dosing cap = 30 ml) in 500 ml of cold water, apply with sprayer and high-speed machine (1000 rev/min).
- Polishing: the dry protective film can be intensified through polishing with a high-speed machine (1000 rev/min) and the Multi-Disc.

Warnings:

To handle the product follow the precautionary advice on the safety data sheet.

For public use.

Technical Features:

Appearance and colour: white liquid

Odour: characteristic

pH: 6,87 ± 0.5

Flash point: >100°C

Relative density: 1.01 g/cm³ ± 0,005

Solubility in water: soluble

Lipid solubility: partially soluble

It also contains among other ingredients: < 5 % Non ionic surfactant, perfume (GERANIOL, CITRONELLOL, EUGENOL), Preservative (BENZISOTHIAZOLINONE, PHENOXYETHANOL)

Storage:

Unopened and stored at room temperature away from direct sunlight.
